Headline:
Largely dry with sunny spells. Cold and frosty overnight.

Today:
After a cold and frosty start, it will be a largely dry day with sunny spells and just the odd light shower. Feeling chilly, but this will be offset somewhat by the sunshine and light winds. Maximum temperature 7 deg C (45 deg F).

Tonight:
The odd light shower continuing near the coast, otherwise it will be a dry night with occasional clear spells. Cold, with frost and isolated freezing fog patches forming by dawn. Minimum temperature -3 deg C (27 deg F).

Saturday:
Isolated fog clearing to leave a cold but largely sunny morning. Patchy cloud increasing in the afternoon, but remaining dry. Light winds. Maximum temperature 7 deg C (45 deg F).

Outlook for Sunday to Tuesday:
Chilly Sunday, but dry with sunny spells. Becoming milder Monday but also cloudier with some light rain and drizzle across the northwest. Cloudy with patchy rain Tuesday.
